Calling All Vegetarians, Vegans, Gluten-Free, and other Dietary Needs!

Meals are cooked from scratch at Colby Ranch, which means that you get fresh food tailored to your needs.

Gluten-free or vegan French toast? We got that.

Vegetarian and vegan soups, sandwiches, and saucy vegetable dishes are some of our specialties.

You can even have dessert!

Our brownies, fondue, cobblers, and frozen desserts are available in gluten-free, dairy-free, and vegan options.

Since 1892?

The Colby Family settled and homesteaded here in the late 1800s, drawn to the natural, year-round spring and temperate weather.

They kept chickens, planted apple orchards, and produced enough food not only for themselves but also to serve the hopeful gold miners and travelers who passed through here on foot or on horse.

We keep some of the old farm and kitchen equipment on display in the lower floor of Stevens Hall.
